

BIRTHDAY PARTY!

Kids' Parties at The MindTrap

At The MindTrap Aristotelous, kids' parties become unforgettable adventures. Children step into immersive worlds full of mystery, teamwork, movement, and fun, all inside a fully organized and safe environment.

The experience begins in our specially designed Party Hall, where children enjoy their meal, cut the birthday cake, and have fun with mini games and activities. It's the perfect celebration moment before the adventure begins.

6 ESCAPE ROOMS

FOR KIDS' PARTIES!

Next, the young players move into the escape rooms and the Pixel Arena, where the fun is built around teamwork, observation, creativity, and movement. Every activity is age-appropriate and carefully designed to combine play, imagination, and collaboration.

Every party at The MindTrap is fully organized and supervised, with a smooth and structured flow that allows both children and parents to relax and enjoy the day. From the venue setup to the activity schedule, everything is designed to create a fun and stress-free experience.
